No. 487 MFA.IC/LC2

The Ministry of Foreign Affairs and International Cooperation of the Kingdom of Cambodia presents its compliments to all Diplomatic Missions, Consular Posts and International Organizations accredited to the Kingdom of Cambodia and, with reference to the Ministry's Notes No. 1605 MFA-IC/LC2 and No.1752 MFA-IC/LC2 dated 20 October 2021 and 18 November 2021 respectively, has the honour to inform that the Government of the Kingdom of Cambodia has decided to relax travel requirements and health measures for travelers entering Cambodia as follows:

- 1- Lift the requirement that travelers from abroad shall present a negative PCR test result of COVID-19 within 72 hours prior arrival in Cambodia.
- 2- Lift the requirement for taking COVID-19 antigen rapid test upon arrival in Cambodia.
- 3- Resume the issuance of visa on arrival for international travelers by air, land and sea.

In this regard, all travelers shall present certificate indicating full COVID-19 vaccination upon arrival in Cambodia. Travelers who have not received the full COVID-19 vaccination shall undertake 14-day quarantine at a location to be designated by the Ministry of Health or the competent authorities.

The Ministry has further the honour to attach herewith the Press Release No. 098 dated 17 March 2022 of the Ministry of Health of Cambodia in Khmer and in English (unofficial translation) for information.

The Ministry of Foreign Affairs and International Cooperation avails itself of this opportunity to renew to all Diplomatic Missions, Consular Posts, and International Organizations accredited to the Kingdom of Cambodia the assurances of its highest consideration.
